LAYOUT PLAN OF BALOCHISTAN BROADWAY AVENUE

MASTERPLAN

Balochistan Broadway Avenue is a masterpiece of urban planning. Based on an area of 110 acres, the society has four grand blocks named Haider, Ali, Umar, and Usman Block. The blocks are planned in a way that each block has multiple parks/golf courses, public buildings, boundaries, jogging tracks, graveyard, and as much as 150 feet wide roads. Above all, the way land is divided into residential and commercial sectors is highly commendable with a strong potential to serve the needs of this age.
